

美国伙伴 Davin (左二), 24 岁就有手抖的现象, 他是一位专业人士。2 年前不幸发现患上 Parkinson。一位好友介绍下使用产品, 反应很快, 最初腰部很累, 排出黑色粪便、便秘, 过后排出很多黑色浓血。原来他在 95 年曾遇上车祸受过伤, 每条你好。使用产品 6 个半月背部好转。Davin 在 2004 年到吉隆坡总公司与伙伴分享。

David, 24 years old was diagnosed with Parkinson Disease two years ago. Through a close friend, David started to use the Ginseng Product. He received good response initially but with constant sore lower back. Soon he released that was a respond treatment to his injury from a previous Car Accident.

Upon six and half month using the products, David's sore lower back is healed and his overall health level was improving.
